Why Register for an AA Conference or Event?

If there are “no dues or fees” for AA membership, why do conferences and events charge a registration fee? AA conferences are self-supporting. No group money is used to pay for the event. The cost of the event is paid through registration fees and the 7th Tradition. Attendance is voluntary and as responsible AA members “We are self supporting through our own contributions” and “We do pay our own way.” Registration costs for an AA conference help pay for the expenses of the event. This may include, but is not limited to, costs for the facility, covering expenses to bring in speakers from other areas, etc. Please help us carry the message to as many people as possible by registering and giving generously in the basket.

Taking a trip — Not taking a trip . . .

A friend of mine says that until he was about a year sober he thought his AA name was “Shut up and get in the car!” The guys in his area would pick him up and head off to a meeting. There would be the meeting on the way to the meeting, the meeting, and the meeting on the way home from the meeting.

He says that he didn't always know where they were headed, but he knew there would be an A.A. meeting and usually a cup of coffee and possibly a piece of pie on the way home.

Grab an A.A. newcomer, a friend, a sponsor, or a sponsee (or all of the above) and try a new meeting, a meeting you've never attended, or one you've heard about in another area!

There's an app for that!

New (free) **UPDATED** Meeting Guide App

Find yourself on the freeway during rush hour and know that you would rather be at a meeting? Traveling and want to find an AA meeting?

There's an app for that!

In the App Store (iOS) or Google Play (Android), type in “**Meeting Guide 3.9.34**” Click on the folding chair logo (see image at left), click on Get or Install

“...Self-supporting through our own contributions ...”

The A.A. groups themselves ought to be fully supported by the voluntary contributions of their own members. We think that each group should soon achieve this ideal; that any public solicitation of funds using the name of Alcoholics Anonymous is highly dangerous, whether by groups, clubs, hospitals, or other outside agencies; that acceptance of large gifts from any source, or of contributions carrying any obligation whatever, is unwise. Then too, we view with much concern those A.A. treasuries which continue, beyond prudent reserves, to accumulate funds for no stated A.A. purpose. Experience has often warned us that nothing can so surely destroy our spiritual heritage as futile disputes over property, money, and authority.
