### VALLEY SERVICE CENTER PHYSICAL INVENTORY

“A business which takes no regular inventory usually goes broke. Taking a commercial inventory is a fact –finding and a fact-facing process.” Alcoholics Anonymous pg. 64

We’ll be gathering in the Service Center on December 17th, 2023 to count stuff ..... All the Literature, (books and pamphlets) as well as chips and other service items.

### Speaking of Service ...

Several members participate in a **Third Legacy Workshop** every Wednesday night at 6:00pm. You can join in online at Zoom ID: **996 628 347** , password: **warranties**. They’re reading the Service Manual and the Twelve Concepts together and discussing what they find. Grab a Service Manual and join in.

# HOSPITALS & INSTITUTIONS (H&I) - Area 53

You may have wondered what those Pink Cans are for.

*“Why do we pass those Cans around with the ‘basket’?”*

*“Where does that money go, anyway?”*

---

In 1942, San Quentin Prison Warden Duffy invited a few members from the A.A. groups in San Francisco to bring a meeting into the prison, and San Quentin Group #1 was born.

The Hospitals and Institutions Committee is a 9th Tradition entity that carries the message of recovery with meetings and literature to folks who are institutionalized, and it is directly responsible to those it serves. For many years the H&I Committee been one of the largest purchasers of A.A. literature.

Here some ways we can support the work of the H&I Committee:

- 8 different facilities have opportunities for Coordinators, Secretaries and Speakers. If you are wondering how to do that, don't worry, there is a resource titled "Guidelines for Guest Speakers".
- H&I is also working to provide in-person sponsors for Rehab facilities.
- There are inmates at San Quentin are requesting A.A. Sponsorship from men on the outside.

## Financial Support – Contributions to H&I

In Alameda County, we are in Area 53 of H&I. Thanks to the response from many people like you, there's been enough support to provide literature and service in our local Area. However, Northern California H&I (NorCal H&I) is facing a serious shortfall of funds needed to provide services where needed.

Please consider a modest financial contribution. Every little bit really does help.

## PARTICIPATION IN A.A.'s TRADITION OF SELF-SUPPORT

On November 17, 2023, the General Manger of Alcoholics Anonymous, Bob W. sent out an appeal for consideration by the Fellowship's, Groups and Members.

The nationwide shutdown in 2020 left many people uncertain about how to support A.A. What followed was a steep decline in Contributions, and Literature sales nearly ceased. A.A. lost over \$1 Million the next year and this year's Budget looks just shy of that figure. Fortunately, the Fellowship responded with increased Contributions, however Literature sales, always the answer to any shortfall, have not rebounded.

Bob W. said, "Your generosity has sustained us through very difficult times in the past. If your group is able, in the spirit of Gratitude Month, please consider a special contribution to the General Service Board."

A.A. World Services (AAWS), the General Service Board (GSB), and the Grapevine Board continue to look for ways to reduce costs while supporting the Fellowship's Primary Purpose carrying the message of recovery. All three Boards have deferred essential projects and Advisory Actions from the General Service Conference.

GSO Facts (these are just a few of the services provided by the GSO:

- 87 employees support the needs of over a million members of the Fellowship
- Publishing – meets goals by the GSB, AAWS, and the General Service Conference.
- Communications – Website, Meeting Guide app, coordination with Public Information, and many types of correspondence.
- Staff Services – Coordinates the staff efforts of departments with special attention the 2025 International Convention in Vancouver, Canada.
- Member Services – supports the Fellowship's needs for order fulfillment, managing contributions, as well as direct links to Area Registrars.
- Finance – processes over 80,000 individual contributions each year, develop budgets, expenses and receipts from Literature sales.
- Archives – Permanently documents the work and history of A.A.

# **STORY SOLICITATION**

## ***"Do You Think You're Different?" Pamphlet Update***

**Deadline for submissions: April 30, 2024**

The Trustees Literature Committee is seeking stories from AA members with diverse backgrounds. This is in response to the 2022 Conference Advisory Action that the trustees' Literature Committee revise the pamphlet ***"Do You Think You're Different?"*** to update the stories to represent greater diversity.

The Trustees' Literature Committee requested that consideration be given to stories from multicultural populations, stories from A.A. members whose experience reflects multiple factors, and from diverse populations not addressed in other current A.A. literature.

Please encourage members in your area to write their personal stories for possible inclusion in the revised pamphlet "Do You Think You're Different." Stories should reflect "in a general way what we used to be like, what happened, and what we are like now."

The anonymity of all authors will be observed whether their story is selected for publication or not.

## Akron, Ohio - October, 2023

The day, Wednesday starts in the 6:45am Akron Morning Meditation group and ends in the King School Group #1 of Alcoholics Anonymous. After the morning meeting, a visit to the Central Office and not enough time in the Archives there. The next stop is the 'Seiberling Gatehouse', now called the Gate Lodge at the Stan Hywet Hall & Gardens. There is no one else in the house and you can feel

the warmth and comfort of this Tudor home, built in 1915.

Just past the baby grand piano in the living room is the 'room where it happened' in 1935. Here where Henrietta Seiberling introduced Bill Wilson to Dr. Bob Smith, two chairs rest under a plaque spelling out the spiritual significance of our limitation, our weakness. There is a small wooden chair in the room. I sit there imagining the two men talking for hours in this space. Sunlight pours through the window and suddenly my eyes fill with tears.

Sometime later, the piano in the living room begins playing without anyone at the keyboard and I feel like I can leave with my spirit filled. Walking back to the car, between ancient apple trees, I 'hear' a powerful message. "Now you've felt this experience; get busy! Pass it on."

That afternoon, at 855 Ardmore Ave, the restored home of Dr. Bob and Ann Smith. It is maintained by a dedicated group of friendly volunteers who greet folks at the door with a warm, "Welcome home!"

Late in the tour of the house with my guide, we arrive at the room where Dr. Bob sobered up after his short trip east. The on his bed, a copy of Alcoholics Anonymous lies open to page sixty-three and the Third Step Prayer is highlighted. My guide says, "Some people like to pray in here." I ask if I can too. He steps out into the hall and I kneel alone at Dr. Bob's bedside, offering, where he did, my prayers of surrender and thanks for the life I have been given because of what he did.

Today, I am grateful to a sponsor who has instilled in me the habit of prayer, so that when the opportunity arises, I intuitively know what to do. I leave there changed,

Later that night, the meeting at the King School #1 feels so warm, comfortable and yes, familiar. I leave Akron the next day filled with gratitude, having received the same message that Dr. Bob and Bill Wilson received in 1935, "Now you've felt this thing, get busy! Pass it on."
